

(2) The official inspection legend shall contain the words "U.S. Inspected and Passed" or an abbreviation of those words approved by the Administrator.

(b) This official mark must be applied by mechanical means and must not be applied by a hand stamp.

(c)(1) The official inspection legend, or the approved abbreviation of the legend, must be printed on consumer packages and other immediate containers of inspected and passed fish products or on labels to be securely affixed to the containers of the products and may be printed or stenciled on the containers but must not be applied by rubber stamping.

(2) The official inspection legend may also be used for the purposes of mark-

ing shipping containers, band labels, and other articles with the approval of the Administrator.

(d) Whole gutted fish carcasses that have been inspected and passed in an official establishment and are intended for sale as whole gutted fish must be marked with the official inspection legend or properly packaged in an immediate container labeled with the official inspection legend and all other required labeling features, that will ensure that the fish carcasses are identified as "Inspected and Passed" and will not become misbranded while in commerce. The official inspection legend used for this purpose must be in the form illustrated below or in another form determined by the Administrator:

**§ 541.3 Official seals for transportation of products.**

The official mark for use in sealing railroad cars, cargo containers, or other means of conveyance as prescribed in part 555 of this subchapter must be the inscription and serial number shown in 9 CFR 312.5 or another official mark approved by the Administrator. Any seal approved by the Administrator for applying the official

mark is an official device for the purposes of the Act. The seal must be attached to the means of conveyance only by a Program employee, who shall also affix a "Warning Tag" (Form MP-408-3 or similar official form).

**§ 541.4 Official export inspection marks, devices, and certificates.**

(a) The official export inspection mark for fish required by part 552 of
